

AutoText Resources

Thursday, October 25, 2018 11:57 AM

POC: David Alt, MD (david.a.alt2.mil@mail.mil)

Getting Started

- Users can use Smart Templates by including them in AutoText

Creating System-Wide AutoText Phrases

Auto Text functionality can be configured for all clinicians through the Knowledge Editor Tool (SCDKE.exe).

You can open the Knowledge Editor from the File menu by selecting **Tools > Manage Auto Text**.
